Global Fellowship

A Year of Miraculous Stories

When BJ, Global Fellowship's South Asia Director, stopped by one of his disciple's homes for tea, he noticed a line of people stretching down the dusty road outside. Curious, BJ turned to his disciple and asked, "What's going on?" The man replied, "They're waiting for healing." This disciple, once a devoted Muslim and the son of a respected imam, grew up deeply rooted in Islamic traditions. Today, he is sharing the gospel with those who have never heard it. Word has spread that people are being healed in the name of Jesus, and now, even local imams seek him out for prayer. He boldly welcomes his former Muslim brothers and sisters into the kingdom of God.

This is the kind of work you are supporting when you give to Global Fellowship — God transforming lives and drawing the unreached to Himself in ways only He can.
