

CHURCH-PLANTERS IN THE PHILIPPINES

THE STEPHENS

Keith and Lynnea married in March of 2015 after spending a year training for missions and ministering among refugees with Global Frontier Missions in Clarkston, GA. During their three years working in Clarkston, God burdened their hearts for the unreached peoples of the world.

They were considering going to the Middle East, but God redirected them to an unreached tribal group in the Philippines. Their desire is to share the Gospel and disciple the unbelievers while also mobilizing existing believers to reach their own people.

They have two sons, Gabriel Truth now 3.5 years old, who is quickly going to quickly pass them in language learning and making friends and Phineas Strength who is 3 months old.
