

# S.K. MAG

## SERVING IN A CLOSED COUNTRY

After a radical conversion more than 20 years ago, S.K. Mag experienced God's healing and became a believer. His family witnessed his transformation both physically, emotionally, and spiritually and gave their lives to the Lord as well.

Growing up in a region where most people will never have an opportunity to hear the Good News, he felt compelled to be a part of taking the Gospel to his own people. He went on to seminary and received a Masters in Divinity and dedicated his life to church-planting and raising up other church-planters. He now leads a team of 65 church-planters who are actively taking the Gospel to the Nepali people.

In 2020, his team baptized more than 200 people into the Kingdom of God and shared the Gospel for the first time with more than 3,000 people. As a result, they planted 22 new churches, two in the cities and 20 in the more rural regions. Praise the Lord, people still heard the Good News for the first time and responded even in the middle of the pandemic and with varying levels of lockdown.

S.K. Mag's team plans on taking the Gospel to 11 new regions in Nepal in 2021 and plant churches in these areas where there is currently no Gospel witness. Please pray for S.K. Mag and his team and prayerfully consider partnering with their ministry to reach the Nepali people with the Gospel.
